

# Gorge Technology Alliance e-newsletter

## January 2007

---

### In this issue:

- 1) Membership Renewal
  - 2) Member Spotlight
  - 3) Next meeting Tuesday, January 23
  - 4) Looking forward to 2007: Upcoming projects
- 

### Membership Renewal

It's that time of year again! Current members should expect to receive a renewal letter in the mail in the next few days. The membership form can also be downloaded at: [http://www.crgta.org/gta\\_memform.pdf](http://www.crgta.org/gta_memform.pdf). If you are not yet a member, but are interested in joining, please contact us at 541-296-2266 or visit the website to learn more!

### Member Spotlight

The GTA is in the process of collecting information for a monthly member spotlight. Member spotlight articles will be featured on the website and in the monthly newsletter. Interested? Contact Amanda at 541-296-2266. Amanda would like to schedule a time to discuss and/or tour your company.

### Next meeting Tuesday, January 23<sup>rd</sup>

Mark your calendars for the next GTA meeting on Tuesday, January 23, 2007. Networking starts at 6:30 p.m. followed by a short business meeting. The speaker will be Craig Sabina with Summit Projects. Summit Projects is a full-service interactive agency offering creative design, strategy, technology, and service to long term-clients.

### A look forward to 2007

The GTA has new projects planned for 2007. These include:

- Business Support Initiative: collecting and disseminating information about resources available specifically for high tech businesses
- Additional website updates to include clear membership enrollment, a redesigned homepage, and connections to current projects
- Development of an engineer luncheon series (contact Amanda at 541-296-2266 for more information)
- Release of the data collection white paper.
- Continuation of the Branding initiative to promote the GTA and its members

Also, visit the website as our "future" projects is continually updated!

---

*The GTA is dedicated to supporting and promoting high tech companies in the Columbia Gorge region. For more information about the Gorge Technology Alliance, visit our web site at [www.crgta.org](http://www.crgta.org)*
